

HULK SYSTEM®-#65

HEAVY-DUTY PROFESSIONAL STRENGTH VEHICLE DETERGENT SYSTEM

100% Biodegradable Brushless Road Film & Soil Remover

READY-TO-USE

DESCRIPTION

Hulk System® #65 is a highly effective detergent cleaner specifically formulated for the removal of road soils from passenger cars, buses, semis, trailers, panel trucks, trains and other types of transportation vehicles. It quickly liquefies and lifts away road film, grease, oil, fuel residues, carbon stains, industrial residues, insects and other similar types of soils. Special rinse additives facilitate quick and complete rinsing. **Hulk System® #60** is soluble in water and biodegradable.

DIRECTIONS

Hulk System® #65 may be used through nearly any type of mechanical cleaning device including pressure washers, tunnel washers, steam cleaners and foaming stations. Ideal product dilution will vary in accordance with equipment type, soil load and operating conditions.

Hulk System® #65 must be diluted with water prior to use. A minimum of 1 part in 20 parts water is recommended. Not for direct hand washing applications.

HEAVY-DUTY INDUSTRIAL CLEANER READY-TO-USE
